Hey, Hey, nice to meet all of you Emura here!

"How's it going?" to everyone I already know. Thank you for buying Michibata no tenshi Volume 1.

A lot of fans have sent me letters with questions like "What kind of person are you?" I will answer them here, although a lot of people don't read this part. Before I was one of those who thought that I would read this part, but only if I wanted to. But now I'm a manga artist, so I have to read it.

Please have fun reading this manga!

Introduction!

(Profile)

Emura

Born: March 19th
Blood Type: A
Sign: Pisces

Family Situation:

Father, Mother, Brother, Sister, Dog: Cat, Sparrow, Parkeet, 21 gold fishes, and me.

We have a lot of animals, but they were all free. I found them all in my neighborhood

And some were born behind my house

Height: 156 cm

People think I must be something like 170cm. Maybe that's because all the characters in my previous manga were pretty tall... but my mother's side of the family is pretty tall (Aunt 175cm). My mother is 162 cm Is 156cm really that short? ¿

Editor's Words:

"Michibata no Tenshi," in the early stages, was planned to be a short story

At that time, it was already set in China but the character names were not Chinese names

After that, it broadened out to become a fantasy story with the current characters

However, for some reason, there is still some Chinese culture present in the story

But no matter how— I just couldn't let the characters have Chinese names, so I ended up using katakana for the names

I'm probably still fond of them

Please don't get carried away in "Fantasy China." You'll blend in more with the story that way

If not, I wouldn't have drawn China as the scene

WHEN SHE WAS TRAVEL-ING UP NORTH,
SHE STOPPED AT A VILLAGE HALFWAY
THE VILLAGERS WELCOMED CATOLE,
BUT ON THAT SAME NIGHT, THEY COMPLETELY CHANGED.
ALL THE VILLAGERS CAME TOGETHER TO ATTACK CATOLE.
THE ENEMY ANNOUNCED TO THE VILLAGERS THAT
WHOEVER KILLED CATOLE WOULD BE GREATLY REWARDED.
Annoyed
I HOPE THE SAME THING WILL NOT HAPPEN IN THIS VILLAGE,
BUT I CAN'T BE TOO SURE.
...
KILL HER... TO GET REWA-RDS?!

YOU WERE THE ONE WHO PUT HER LIFE IN DANGER IN THE FIRST PLACE!
DON'T YOU DARE COMPARE THAT VILLAGE WITH US! HOW DARE YOU!
THE POWER OF THE "BOOK" COULD HAVE ALLOWED HER TO TRAVEL MORE FREELY,
BUT ENDED UP ALMOST GETTING HER KILLED.
IN THESE 2 YEARS, WHY DIDN'T YOU TEACH HER HOW TO USE IT...?
AS I SAID,
IT'S MORE THAN ENOUGH IF WE CALL THE GOD OF WAR
NOT ONLY WILL WE GET AWAY FROM THE PURSUERS, WE'LL DEFEAT THEM AS WELL

IN OTHER WORDS, DON'T CONTINUE TO USE THE BOOK
IF YOU WANT CATOLE TO REMAIN CHEERFUL.
LET HER STAY WITH FAMILY,

Now, I can't even do it!

Anyway, when your "chi" is not smooth, you'll get sick sounds very reasonable...

Still, after the bad comes the good—

Which is to say, I've overcome my bad mood and am doing fine now.

Lately, one of the great things that's happened to me is that I've picked up a kitten ♥

The members of my family weren't very encouraging, since I have a bird at home.

But, when I first saw the kitten, I was mesmerized by it and from that day onwards, it became part of my family ♥

At first, the bird was jealous of the kitten, but now they are getting along pretty well after the two got to know each other.

Whenever I need to bring the bird out of its cage, I just bring it in the workroom so that there's no problem ♥

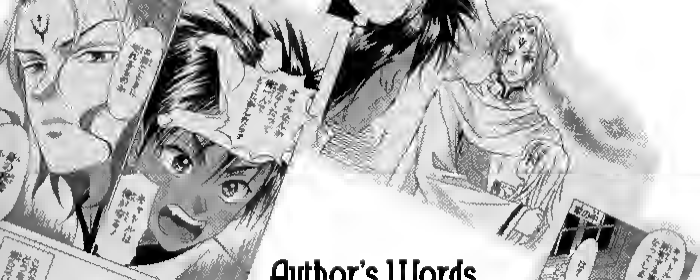
Michibata no Tenshi Vol① End



Author's Words

I'm very happy that
everyone read this far!
Quite a few pages of storyline
has been added to this volume,
so there's no more space left
for me to write my usual epilogue.

I added a lot that didn't even show up in the magazine. If I could, I would have drawn more!!
Even though this first volume is large, it's worth buying! ♪ Some of these draft drawings were removed during edits. It felt wasteful, so I put them here.
There are a lot more.

I have many things to say about this series but there's not much space. So I'll talk about it in more detail in the next volume.

"Michibata no Tenshi" has been my longest project. It has been asleep deep in my heart for over 6 years. Even though the original setting is different, the central storyline remains the same. I will continue to work hard and draw till the very end. The first volume is just the prologue. I want to move quickly into the main theme.

In other words, I wish for Catole to become much stronger ～～～!!

Let's meet again in the next volume.
